9. How did you hear about Course 201?

Because we are dealing with the hearts of people, the school can, at times, be very intense. Personal responses to teaching and small group interaction may include, but are certainly not limited to, some of the following: ***expression of anger, prejudices, resentments, apprehension, anxiety, insomnia, depression, dissociation***, etc. Because of time restraints all of your personal issues will not be dealt with during the course of the school. This is a lifelong process. However, we do give you the tools to pursue further healing, and you may want to pursue further ministry once the school is complete. If you feel there are already significant life issues that need to be addressed, ministry or counseling prior to your enrollment in the school is advisable and always beneficial. If you have been seeing a counselor, we ask that you discuss the school with them and receive their approval.
